FIGMENT

This model drops any objective it is carrying and may not interact with objectives unless it spends 1 MYT in addition to any other penalties.

BLOOD MAGIC

Friendly models within 8" may inflict 2 WND on this model to activate their Blood Magic abilities.

STARVING

If this model does not make a COM attack during its activation it suffers 1 WND. You may ignore this if you are within 4" of Dorothy or Mercy.

40MM BASE
